POLICY REGARDING WHO MAY SEEK TREATMENT AND RECEIVE INFORMATION

Because we have had problems in the past with legal issues involving divorce, separation, stepparent or grandparent rights, we have had to implement stricter policies regarding who is authorized to receive medical information or seek treatment for children.

A legal guardian who brings in a new patient will be required to submit a photo ID, a copy of which will be placed in the chart. This person will also be asked to fill out a third party consent form listing the people who have authority to seek treatment for the child. Only people so authorized by the legal guardian will be allowed to seek treatment for the child. If a person claiming to be the one listed on the third party consent form brings in the child for treatment, he or she must present a photo ID that matches the name on the said form. If the person seeking treatment is not authorized, The Children's Clinic reserves the right to refuse treatment.

The legal guardian will also be asked to fill out an information release form listing the people to whom certain medical information can be released. Only the people listed on this form will have access to this information.

In cases of divorced or separated parents, The Children's Clinic will treat children brought in by anyone listed on the third party consent form. If one parent decides he or she would like to prevent the other from seeking treatment for the child, he or she must present legal documents stating who is authorized by the court to seek treatment.

Step-parents will not be permitted to seek treatment for the child unless there are legal documents giving permission or the stepparent is listed on the third party consent form. Medical information will not be released to stepparents under any circumstances unless, The Children's Clinic has expressed written permission from the child's legal guardian. These rules apply even if the stepparent is the legal guardian of another child who is a patient at The Children's Clinic.

Grandparents will not be permitted to seek treatment for the child unless the grandparents are listed on the third party consent form. Medical information will not be released to the grandparents under any circumstances unless The Children's Clinic has expressed written permission from the child's legal guardian.

I have read, understood, and will agree to abide by the policy detailed above.

NEW PATIENT AGREEMENT FORM

Our office is contracted with several insurance carriers. We will accept assignment if we are contracted with your insurance company and we can verify coverage at the time of service. Please check our website at www.childrenscliniclufkin.com or ask our receptionist for a list of contracted insurance companies. We will file your claim forms and assist you in every way we can. However, you are responsible for full payment, or payment according to your insurance policy at your initial visit and any other office visits. If we are not contracted with your insurance company, we will be happy to provide receipts for service to simplify your filing process.

Office policy regarding insurance assignment:

1. You must understand that the contract you have is between you and your insurance company and **you are fully responsible for any amount not paid by your insurance company.**
2. By taking your insurance on assignment, we have agreed to wait for the majority of our payment. Therefore, your portion is **due at the time of each visit, this includes copays.**
3. Once your insurance remits payment, any balance will be due in full at that time. Arrangements must be made in advance for our office to agree to any other payment arrangements.
4. Our office does not guarantee that your insurance will pay. We will make every attempt at the beginning of your health care to receive verification of your policy and what it covers. However, if for some reason your claim is denied, **you are responsible for the full amount of your bill.**
5. You are required to sign a statement authorizing payment to be made directly to our office. See attached.
6. Our office will not enter into a dispute with your insurance company over the claim. This is your responsibility and obligation.
7. Delinquent accounts will be turned over to a collection agency when deemed necessary.
8. If for some reason you are unable to keep a scheduled appointment, we request that you notify us in advance.
9. Per your insurance requirements, we must have the insured's date of birth on file for verification purposes. We ask that you provide this information and all other information asked in our patient information packet.
10. If the Children's Clinic is listed in your bankruptcy case, you could be dismissed from our practice.
11. We will not be involved in divorce/legal financial issues. The adult accompanying the patient to the clinic will be responsible for payment at the time of service.

By signing this statement, you are stating that you understand and agree to follow our office policy.

A record of all children 18 years of age or younger who receive immunizations through the Texas Vaccines for Children Program must be kept in the health care provider's office. The record may be completed by the parent, guardian, individual of record, or by the health care provider. TVFC eligibility screening must take place with each immunization visit to ensure the child's eligibility status has not changed. This same record will satisfy the requirements for all subsequent vaccinations, as long as the child's eligibility has not changed. If patient eligibility changes, a new form must be completed. While verification of responses is not required, it is necessary to retain this or a similar record for each child receiving vaccines under the TVFC Program.
